The Pittsburgh Paralegal Association is pleased to announce its Spring Education Conference. The Conference includes three educational sessions with four seminars offered during the morning sessions being real estate and litigation. To conclude the day, an ethics seminar will be offered during Session III.

Before the third seminar begins, PPA will award its scholarship to a local paralegal student.

We would like to thank the members of the Pittsburgh Legal Community assisting in making the Conference a success, especially the speakers: Joseph R. Lawrence, Esquire, Gina Shultz, Larry Lieb, Joshua W. Hoeppner, and Barbara Griffin, Esquire. The Education Conference has opportunities to network and to expand your knowledge from the student and entry-level paralegal to the seasoned paralegal. Spend the morning with your paralegal colleagues to better the paralegal profession. PPA also would like to thank our sponsor NCR, who has helped PPA make this Conference successful. Gina Shultz, Account Executive will be around to answer questions. We hope to see you at the Conference! If you have any questions feel free to contact Diana Roth at 412.281.5423x289 or via e-mail: droth006@gmail.com.
