

Paralegal CORE Competency Exam Assurance of Learning Programs

The Assurance of Learning Program offered by the National Federation of Paralegal Associations is open only to AAFPE and/or ABA approved paralegal programs.

No cost to register your program and no minimum number of student candidates required to participate.

Detailed school-specific outcome data to participating schools in Annual School Performance Report from NFPA included at no charge to registered programs.

Students with a passing score become CORE Registered Paralegals™ and earn the right to use the CRP™ credential.

Affiliate Program

Student candidates independently register and pay exam fee directly with NFPA
