Paralegal Certification Through NFPA

Each state's [regulations](#) are unique and employers' requirements vary widely due to the [many kinds of work](#) that paralegals can do. So how do you make yourself stand out as an exceptional paralegal?

One way is by earning a credential which is widely recognized in the field. NFPA offers two credentialing exams:

- The [Paralegal CORE Competency Exam](#)® (PCCE®) establishes your education has prepared you for many types of paralegal work and helps you stand out from others whose schooling and experience are otherwise similar. Those who have passed the PCCE may proudly display the CRP® designation after their name.

- The [Paralegal Advanced Competency Exam®](#) (PACE®) is for those with not only a comprehensive education in paralegal studies but also years of practical experience. Earning the RP® designation by passing the PACE Exam shows that you are one of the best in the field!
